

Mpumalanga Schools Hockey Association

Procedures regarding the Provincial Leagues.

1. For every league game that a team plays, a team list with the names and corresponding playing numbers of each player must be handed in at the technical table before commencement of each game.
2. This team list must also indicate the full date of birth for each player.
3. The coach must also be in possession of a certified copy of the ID document, with photo attached.
4. The approved standardised form must be used.
5. Every team member must wear a playing number on the back their shirt and on left front of their skirt/shorts. This number must correspond with the team list and match result form.
6. The wearing of shin guards' is compulsory and the correct use of a gum guard is recommended.
7. All hosting schools must ensure that a technical area has been set up according the regulations and that it is manned by competent personnel.
8. Hosting school must also ensure that qualified 1st Aid is available at the fields.
9. It is recommended that a set of "pinnies" (beffies) is available at each field in case of playing uniforms being too similar.
10. Hosting schools must ensure that they have a hockey field that meets the requirements of the FIH rule book.
