Please find the following important information discussed at the AGM 2018

AGE GROUPS:

NO player shall play in age groups more than one age group above their age group. (In SASHOC Age-group Policy) e. u14 player may not play in u/16 side if there is an u/15 side. If there is only an u/ 16 side, it is allowed.

Small schools with only ONE mixed team, may have players of u/14 to u/18 in their teams.

SASHOC indicated that we allow Home schoolers in our teams, with consent from the parents. Our constitution states that players must be enrolled in the school. Schools that wish to use a "Home schooler" must apply in writing and the EXEC will approve.
